## Notre Dame Crushes Purdue Defense Win by Large Score

### Rockne's Charges Run Wild at Stuart Field Playing Greatest Offensive Game of the Season

Paul Castner's Educated Toe is Big Factor in Overwhelming Boilermaker Eleven Before Record Crowd of Football Fans.

LAFAYETTE, Ind., Oct. 15.—With the Notre Dame football team playing better football than ever displayed before and Johnny Mohardt, Coach Rockne's star halfback, tearing off large gains ever time he attempted to carry the ball, Purdue university went down to defeat before the "wonder team" by a 33 to 0 score. Baffled and shaken from the very first play, the Boilermaker eleven was unable to do much to the tipping offensive plays of the Catholic college warriors and for the first period was forced to move slowly down the field until in the shadows of their own goal posts. Then Mohardt would carry it over.

Paul Castner, Notre Dame fullback, gave a phenomenal exhibition of punting all through the game, greatly adding his teammates by forcing the Boilermakers to exchange kicks with him, in which he shortened the distance to the Purdue goal by many yards.

Confident that they were capable of beating Purdue by a greater score than had been heaped upon her by last year's Notre Dame eleven, the Rockne forces started at the initial part of the game by holding the Boilermakers back until Watson, Purdue punter, was forced to kick. Then, with the machine well started, they began a march down the field that did not stop until Castner had exhibited the full worth of his wrong side toe by booting a field goal.

Once again the game started. With Mohardt and Coughlin leading the parade, the Purdue forces were pushed back until the dauntless Johnny had scored the first 6-point marker of the game. Shaw kicked the goal.

Purdue went on the offense for a few moments, but had a terrible time trying to get by the out-guardians of the Rockers. They resorted to a punting game in which "left-footed" Castner.

Purdue held Notre Dame to a comparatively close game in the first quarter, but their defense collapsed shortly after the start of the second period, and Notre Dame scored 21 more points. Castner again kicked a field goal in this period.

The Saturday crowd on Stuart field were brought to their feet time and again by the spectacular drives of the great visiting backfield. It seemed almost impossible to stop them, and if it hadn't been for the stellar playing of Capt. "Zeb" Carman and Birk, the Boilermaker guard, the home college would have displayed no opposition at all.

Evidently Coach Dietz of Purdue overlooked one of the best ground gamblers. Macklin, a halfback, was sent into the battle after the fourth quarter had started and from then on it was regular war. Macklin gained more ground against the Rockne strong men than the rest of the Purdue outfit had succeeded in doing during the entire game. With a ducking, careless slide he succeeded in escaping the clutches of the Notre Dame tackles and checked off yard after yard.

Handley "Buck" Anderson, husky guard of the Notre Dame team, was easily the star of all linemen. Breaking through the Boilermakers' defense he threw the backs for numerous losses. In the first half Garvey made a flying tackle that upset Watson, who had started with the pigskin under his arm. Anderson grabbed the leather as it flew from the Purdue back's clutch and raced across the white line for a touchdown. A few moments later he fell on the ball as Purdue fumbled, scoring his second touchdown of the game.

Capt. Anderson Stars. Eddie Anderson of Notre Dame played a stellar game both of the offense and defense. Although Mohardt only hurried him, Eddie made a flying leap into the air on the first attempted pass of the game, and after knocking it down succeeded in recovering it in time to make first down for his team. The initial period. A few minutes later Mohardt scored the touchdown.

Purdue, while beaten, played their best; they gave much promise of being a strong conference aggregation and showed the result of the stellar coaching of their new mentor.

HUNK ANDERSON.

After proving himself one of the greatest guards in the west by his stellar exhibition at Iowa City, Hartley "Hunk" Anderson heaped further glory upon his shoulders when he did the extraordinary yesterday afternoon against Purdue, scoring two touchdowns while punting in the position of left guard.

It takes a mighty good man to stop Anderson. Twice he broke through the line just as the Boilermaker backs fumbled, and both times he sped over the last white line for touchdowns. Anderson made as many touchdowns as the entire Notre Dame backfield. Quite a record for a lineman.

### Benders Beaten in Tough Battle by Emerson High

Gary School Boys Too Much for Burnham Lads, Who Are Defeated, 14-0.

In a grid game which was to decide the northern Indiana high school football championship the South Bend High eleven was defeated by Emerson High school, of Gary, by a score of 14 to 7. Capt. Edwards made the lone touchdown on a forward pass from Buntman which went for about 20 yards. The game was well attended and a number of local rooters accompanied the squad, which left on a special over the South Shore yesterday morning at 9:30 and returned at 3:36 at night.

South Bend lost a golden opportunity to put the ball over shortly after the second half had started, when one of the Benders received a pass from Buntman which put the ball on Gary five-yard line. Capt. Edwards then made four yards from a line buck. Three times the Gary line held from the terrific onslaughts of the local schoolers.

Capt. Edwards and Strickler gave stellar exhibitions despite the defeat received. Edwards was continually on the bottom of the play as never failed to spring up ready for action. Much credit is due Strickler who probably played the best game of his career. Strickler was knocked out twice, but remained in the game, receiving end punts without a fumble and going for large gains before being downed.

The playing the line men was remarkable. Klinski showed up well for a green man. This is his first time at center as a regular. Voedisch, Strickler and Butch received injuries which will probably keep them out of the first two or three days of practice. Scheer sprung a surprise by kicking goal perfectly and probably will take care of the job in the future. A number of men had been tried out for this position but none of them proved as good as could do it satisfactorily. Scheer is also a mainstay in the line and a good thinker.

Another Mohardt. One thing is certain: Gary was prepared and had been preparing for this contest ever since the season. When the game was over they knew they had been in a football game, as the game fight of the locals was lauded by gridiron experts who saw the game. Several of the Gary men were badly hurt. No personal substitutions were frequently necessary. Paul Mohardt, brother of Johnny Mohardt, of Notre Dame football team, received an injured leg in the Kentland contest a few weeks ago and was able to play only for a few minutes of the game. In that time he demonstrated that he is worthy of his brother by going for 10, 20 and 30 yards at frequent intervals.

The Gary defeat will be forgotten and Coach Burnham's grid team will start again for new laurels. No personal can be blamed for the defeat. Practice will be resumed Tuesday night with the express purpose of showing Jefferson Hall, of Lafayette, that the South Bend High school football eleven is its superior on the gridiron when the two eleven meet on Cartier field next Saturday afternoon at 1:30 o'clock. The game will be played as a preliminary to the Notre Dame-Nebraska tilt.

PAUL CASTNER.

For some time Northern Indiana football critics have been heralding Castner. Rockne's dazzling fullback, as the premier drop kicker in Indiana. The worthy son of the son of Notre Dame brought further glory to his master yesterday when he booted the ball squarely between the posts twice during the battle against Purdue. His ability as a ground gainer has always been well established. Injuries which will probably keep him out of the first two or three days of practice. Scheer sprung a surprise by kicking goal perfectly and probably will take care of the job in the future. A number of men had been tried out for this position but none of them proved as good as could do it satisfactorily. Scheer is also a mainstay in the line and a good thinker.

### Mishawaka High Beats Hammond

Mueller's Eleven is Too Heavy for Opponents and Runs Away With Score.

Coach Mueller's Mishawaka High School eleven administered the worst defeat Hammond High School has experienced this season when they came out on the long end of a 20 to 7 score, yesterday, at Hammond.

The aerial attack of the Mishawaka team coupled with several fumbles by the Hammond cohorts, saw a defeat for the home team. Mishawaka outwitted their opponents by a great deal and their speedy backfield had little trouble in running for large gains.

### Heavy Vanderbilt Team Defeats Kentucky Eleven

LEXINGTON, Ky., Oct. 15.—Outweighed more than a dozen pounds to the man, the University of Kentucky football team today lost its first game of the season to Vanderbilt by the score of 21 to 14. Two touchdowns for the Commodores in the first quarter, one a result of a punt fumbled by the Wildcat quarterback and the other following a fluke forward pass gave the visitors an advantage that the Kentucky gridriders were never able to overcome.

### SOUTHERN INVADERS BEATEN BY HARVARD

CAMBRIDGE, Mass., Oct. 15.—Harvard again beat back a football invader from another section today, winning from the University of Georgia by a score of 10 to 7. The Bull Dogs of the south, however, accomplished against the Crimson what Yale, Bull Dogs of the north, have been able to do in years— they scored a touchdown. The Harvard goal was passed by means of a forward pass, a pretty play, in the last period, with Dick Hartley raising the rebel yell among southern supporters with his catch and run of 15 yards.

The situations that developed scores, both for Harvard and for Georgia, grew out of errors.

### BUTLER SWAMP'S HANOVER. INDIANAPOLIS, Oct. 15.—The Butler college football team swamped the Hanover eleven yesterday by a score of 132 to 0 here today.

The Hanover defense was shattered at the outset and Butler players scored practically at will.

TERRE HAUTE, Ind., Oct. 15.—Upsetting the dope, Rose Poly not only defeated Franklin college here this afternoon but outplayed, out-fought and held the Baptists scoreless, the final count being 10 to 0. Stage intercepted a forward pass in the first quarter and ran 55 yards for a touchdown and kicked goal. A few minutes later Gilbert made a placement kick from the 40 yard line. Franklin threatened in the final quarter, but an intercepted pass put Rose out of danger.

### Dowagiac High School Defeats Buchanan, 7-0

Buchanan suffered its fourth straight defeat of the season yesterday when the Dowagiac high eleven succeeded in scoring a lone touchdown in the last quarter of the game at Buchanan, winning 7-0.

Zillner the speedy Dowagiac halfback evaded the end of Buchanan just as the timers whistle was being raised towards the officials lips, and rolled over the goal line with the pigskin.

G. Smith, captain and fullback of Buchanan did most of the ground gaining for his team but could not compete with his rivals. Buchanan suffered another defeat at the hands of a team of 1 yard on the Notre Dame 30-yard line.

Castner punted 45 yards, the ball rolling over the goal line. Purdue's ball on her 20-yard line. Watson punted to Mohardt, who was downed on Purdue's 45-yard line. Notre Dame gaining 15 yards through the exchange of punts. Mohardt tore off 15 yards through right tackle.

Time was called as Castner sunk to the ground in pain. End of Purdue, was also out. It was Notre Dame's ball on the 30-yard line. Thomas made a yard through center. Coughlin made a yard through left tackle. Claypool stopped Coughlin on a crisis quarter.

It was Notre Dame's ball, fourth down, on Purdue's 25-yard line. Cotton was sent in for Shaw, Smith for Thomas, Voss for Garvey, Carberry for Kiley, Walsh for Coughlin, Leib for Mohardt.

Voss attempted a placement kick which was blocked. Smith recovering the kick. Walsh skirted left end for four yards. Phelan went in for Castner and made 5 yards on a plunge through center. Leib hit right guard for 4 yards. Hans Geiger went in for Claypool, at right tackle. Leib failed to make first down by one inch when he stacked up against the line. It was Purdue's ball on the 7-yard line. Watson punted to Smith in midfield who ran the ball back 11 yards before going out of bounds. Phelan made 15 yards through center. Phelan made six more through the same hole on a trick play. Notre Dame was penalized 15 yards for hurdling after Leib had jumped the line. Phelan hit the line for 6 yards. Leib attempted a placement kick which missed the goal post by a foot. Seifert was sent in for Eddie Anderson as the ball was given to Purdue on her own 25-yard line. Meekert hit the line for eight yards. He then made it first down on Purdue's

### IOWA MOVES NEAR CONFERENCE TITLE

Conquerors of Notre Dame Defeat Illinois Eleven by 14 to 2 Score.

IOWA CITY, Ia., Oct. 15.—The University of Iowa football team moved a step nearer the coveted western conference grid championship today when it triumphed over the University of Illinois 14 to 2. Iowa's victory was well earned. It came from two touchdowns by George Locke, fullback, one was scored in the second period and the other in the third. Locke not only tugged the ball over for the touchdown, but his gains were largely instrumental in putting Iowa in a position to score.

The Hawkeye team was never in serious danger, the two points scored by Illinois being the result of a 15 yard penalty which put their backs to the wall, followed by a poor pass from center which rolled over the goal line where Capt. Aubrey Devine fell upon it for a safety, which gave the Orange and Blue two points. Illinois never had the ball within scoring range while Iowa repeatedly threatened the visitors, who were on the defensive throughout.

June 1 he cracked out a single, double, triple and a home run in four trips to the plate.

George Kelly, also of McGraw's squad, did on three occasions the stunt that every player longs to duplicate and that even the best of them failed to do in 1921—he slammed out three home runs at three different times with the bases full all in a single season.

Four trips to the American league and in the National league five were executed.

Two triple steals were made, one by Washington and the other by the St. Louis Browns.

Twenty-five slauts were recorded during the year in the National. Pittsburgh got the whitewash 14 times, while the White Sox registered 16 ephers at the end of their season.

Carl Mays of the Yankees is the 1921 pitching ace, although Red Faber of the White Sox tied with him in victories, each having 27.

Ed Ruppel of the Athletics was the cellar pitching champ with 23 defeats. Smith of the Phillies had the greatest losing streak, when he dropped eight games in a row. Babe Adams spent the mercury the other way when he won eight contests in a row.

### Work on Gymnasium Nearly Completed

BURKET, Ind., Oct. 15.—Work on a gymnasium in connection with the Burket high school, was made possible as a result of contributions of public spirited individuals, is now well under way.

When completed the building will be the largest in Kosciusko county with a floor space of 3,500 square feet. All basketball contests of the Burket high school team will be played in the gymnasium.

### SAMMY GETS HIS. NEW YORK, Oct. 15.—The world's series netted Uncle Sam a handsome profit, but not so much as the Dempsey-Carpenter boxing bout.

Sammy got his. The tax collected on the eight world's series games amounted to \$56,023. The bout brought in \$158,947.77 in taxes, he said.

### Warsaw Defeats Elkhart Eleven

Visiting High School is Unable to Fathom Attack of Opponents.

In a game which they continually outplayed their opponents, the Warsaw High School football team defeated Elkhart High yesterday afternoon at Warsaw by a one sided score of 41 to 0. Elkhart was clearly outmanned and after the scoring of two touchdowns in the first quarter the outcome of the match was practically decided. The entire Warsaw backfield played a very clever game, the work of Stamatetz being exceptional. Stamatetz carried the ball for two of the touchdowns, making long runs, while Stokes contributed three of the scores and Rogers one.

The day was ideal for football and a number of Elkhart rosters filled the stands. After the first quarter, however, during which the Warsaw backfield continually tore down the Elkhart defense, the enthusiasm of the crowd died down. The last three quarters of play showed a one sided battle during which the heavier and cleverer Warsaw squad made irresistible progress and the inevitable touchdown.

It was during the third quarter that the Elkhart squad made their best showing. Several times during the period the Warsaw aggregation was in danger of scoring, but the game Elkhartians succeeded in holding them on downs and punting to safety.

### Many Candidates for Premier Cup in Season's Play

Crown to Most Brilliant Star Has Been All Shined Up and Awaits Claimant.

Old Man Time has the baseball crown all shined up, but he doesn't know whether to stick it on one of the stars of the season or to wait for a National league ace for services rendered during the season of 1921.

Rogers Hornsby ought to get the first peek at it for being the sweetest swatman of either league, topping the averages with .358. This is the highest batting percentage reached since 1899, when Delephant, of the Phillies, led the league with .408.

But Ty Cobb, the "Georgia Peach," steps into Hornsby's shadow, demanding recognition and asserting his claim to the top of all the greats. For Cobb has just pulled through his sixteenth complete season with the Tygers, and finished with a marker of .330. His pupil, Harry Heilmann, topped him by .003 of a point for the American league hitting record—the first time a right hander ever best Cobb, who copped the batting honors in Ban Johnson's league 11 times in 14 years.

Frisch Leads Thiefs. Frank Frisch of the Giants lusted down the path with 54 stolen bases, and George Sisler led the American league with 34. "Sis" was the only man to steal four bases in a single game. George also got 10 hits in 10 consecutive trips to the plate, a record for the season.

Harmon's ribbon for smacking out doubles and triples in the National league. He got 43 doubles and 18 triples, while Tris Speaker of the Indians topped him for doubles in the American league by popping out 61.

Dave Bancroft of the Giants gets the ticket for variety in swats. On
